

U.S.S.N. 08/466,219

-4-

PATENT

22. (Amended) The system of claim 17 wherein the monitor includes a comparator for comparing [the] tire pressure to a selected threshold.

C7604
23. (Amended) The system of claim 17 further comprising an indicator in electrical communication with the monitor for indicating [the] status of the monitored tire pressure.

REMARKS

The Examiner is respectfully requested to enter this Amendment after final rejection because it places the claims in better condition for appeal. Furthermore, the changes to the specification and abstract were requested by the Examiner in the final Office Action.

No additional fee is believed to be due as a result of the filing of this paper. However, any additional fees may be charged to the Deposit Account authorized by the original transmittal letter in this case. The Examiner is invited to telephone the undersigned to discuss resolution of any issues relative to this Amendment.

Respectfully submitted,

BROOKS & KUSHMAN P.C.
